SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE NUMBERS 05-050016544, 05-988470, AND 05-990843

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Posts' assistance in conducting a post-shipment inquiry on license numbers 05-050016544, 05-988470, and 05-990843 for the export of defense hardware to Indonesia. Posts are requested to complete this Blue Lantern inquiry within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Foreign Consignee Growhill Enterprise PTE LTD has appeared on only one previous license, and its bona fides have never been verified by a Blue Lantern inquiry.

¶4. Action Singapore: Department requests that Post verify the bona fides of Growhill Enterprise PTE LTD as a responsible recipient of United States Munitions List (USML) items, and confirm its role in the listed transactions. If possible, conduct a site visit in order to provide Department with an assessment of the company's business operations and on-site security. Emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited.

Action Jakarta: Post should verify the bona fides of PT Ciptaarta Hadikara in the listed transactions. If possible, conduct a site visit in order to provide Department with an assessment of the company's business operations and on-site security, and determine whether it is a responsible recipient of USML items. Emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited. Confirm that the end-user received all of the items listed on the licenses, and that they are being used for the stated purpose. The following questions provide suggested guidance:

For Badan Intelijen Strategis (BAIS) TNI:

--Are you familiar with PT Ciptaarta Hadikara?

--Did you receive all of the USML items listed on each of the licenses? If not, what is the status of

the unshipped items for each applicable license?

--Is PT Ciptaarta Hadikara an official supplier/contractor for Indonesia MOD?

--Does the Indonesian MOD have any other contracts with this company?

For PT Ciptaarta Hadikara:

--When was the company established and who are its principals?

--What is the nature of your business (i.e., What types of items does your firm handle and do you serve as a broker)?

--What types of organizations are among your typical customers and where are they located?

--Does the company have proper supporting documentation, including purchase orders from Badan Intelijen Strategis which confirms your role on each of the licenses?

--Is the company currently handling or storing any of the USML items listed on the licenses? If so, do you have secure facilities and proper accounting and security procedures for handling these sensitive USML items?

--Did the company integrate/incorporate any of the USML items into other products at the request of the end-user? If so, please specify.

--Do you understand the restrictions on United States Munitions List (USML) items, especially the prohibition against unauthorized re-transfers and re-exports?

End Action Request.
